

Facility Planning Board Advisory Committee

MEETING MINUTES

OCTOBER 30, 2024 @ 5:30 - 7:00 P.M.

BOARD OF EDUCATION ROOM

Welcome & Introductions

Jake Slobodnik, Executive Director of Operations, opened the meeting with introductions, welcoming all participants and providing an overview of the agenda.

2025–2030 Strategic Plan

Kristi McNerlin, Chief Communications Officer, presented an update on the district's 2025–2030 Strategic Plan process. She reviewed the timeline, steering committee's work and community engagement through an opinion survey.

Presentation of Foundational Committee Topics

Jake reviewed the purpose of the Facility Planning Committee and provided an overview of the facility planning process.

Erik Pollom, Assistant Director of Planning and Operations, shared insights into current enrollment trends and the methodology used for projecting future enrollment. He highlighted factors influencing trends and the implications for facility and resource planning including district growth and enrollment and projection accuracy.

Next Steps

Jake outlined the next steps for the committee, including follow-up meetings and action items.

NEXT MEETING

Wednesday, November 6, 2024 @ 5:30 - 7:00 P.M. @ Board Of Education Room
