

Considerations:

- This calendar is **not** an exhaustive list of religions/cultures/holidays/observances.
- Many religions/cultures use lunar calendars; therefore, dates are not fixed because they depend on the actual sighting of the moon. There may be variance.
- Students of a given religion or culture will not necessarily participate in all observances listed.
- Students of a given religion or culture will participate in observances in a variety of ways.
- Open communication among administrators, families, and students regarding cultural and religious considerations will foster a culturally-responsive learning environment.
- Advice from our BOE DEI Advisory Committee has been added to the “Notes” section to help with event planning.
- Any questions, concerns, or possible errors should be sent to Kelly Wessel or Jennifer Smith.
