

## **Blue Valley Board of Education** **Student Activities Advisory Committee**

**September 19, 2024**

The first meeting for the 2024-25 school year began with introductions and a brief history of the Student Activities Committee. Information was then shared regarding the Blue Valley School District Strategic Plan.

Matt Ortman, Director of School Administration – Athletics and Activities, gave a brief review of the achievements due to the work of the Student Activities Committee. Athletic and activity updates related to the bond were also provided.

Superintendent Dr. Tonya Merrigan and Chief Communications Officer Kristi McNerlin then discussed the effort of the 2025-30 Strategic Plan Steering Committee to revise the Blue Valley School District Strategic Plan to guide us into the next five years. The Student Activities Committee was then asked to take the Strategic Plan Survey and to encourage additional Blue Valley community members to complete the survey.

The meeting concluded with highlights for the start of the school year from high school, middle school and Blue Valley Recreation staff.
