

## **Math Acceleration Timeline 2025**

### **February**

- If a **teacher** wants to recommend a student for acceleration, the teacher will request a link and complete the Google form by **March 7, 2025**. All information will be collected and sent out to parents along with a permission slip for their child to take the screening exam.
- To make a **parent request**, the parent must contact Terrie Farrell, via email at [tfarrell@bluevalleyk12.org](mailto:tfarrell@bluevalleyk12.org). The parent will then be sent a link and activation code to complete the parent recommendation Google form by **March 7, 2025**.

**\*\*The Google form for both teacher and parent recommendations will open on February 10, 2025.\*\***

### **March**

- The electronic parent permission slip to take the screening exam is due by **March 13, 2025**.
- The screening exam will occur in a student's home building and will be administered by the building's instructional design coach sometime between **March 26 and April 8, 2025**.

### **April**

- Screener results will be sent from the district, via email, to parents by **April 14, 2025**.
- Building administrators will be notified of screener results by the district, via email, by **April 14, 2025**.
- If a student passes the screener, the student's parents will receive a new permission slip to take the remaining exams. These are due by **April 24, 2025**.
- On **April 30, 2025**, the acceleration exam will be administered in the student's home school by the building's instructional design coach in the morning. There is no make up date.

### **May**

- Administrators and parents will be notified of acceleration results, via email, on **May 13, 2025**.
- No re-tests will be administered during the summer or during the subsequent school year unless a student is new to the district.
- Affected schools are made aware of transportation needs. All transportation needs are taken care of between the affected schools.

**For questions, please consult the district website.**
