What are they saying?

Teachers

"The students use this space every day. They absolutely love it."

"The design has a significant impact on how students behave. You can tell they respect the new space."

Students

"It feels like someone cares. The fact that you built this for us, it means a lot to us."

"I love studying here. It doesn't feel like high school."

WP26 - Academy, GEAR and Construction Tech.

What are they saying?

Teachers

"I'm obsessed with this new space. These kiddos really deserve this."

"It's perfect. I can't imagine a better space to work in."

WP26 - Academy, GEAR and Construction Tech.

What are they saying?

Teachers

"This space will allow us to do projects we couldn't dream of before because we didn't have a dedicated space."

Students

"This is my favorite place to go during the day."

"So much better than where we were building last year."

"I've never really taken a construction class, but I'm excited to use this space to learn more."

WP30 - FLE Modifications

Construction Complete August 2023

Funding Source: 2020 Bond

Scope: Transform classrooms into Flexible Learning Environments at TCE and WSE

WP30 - FLE Modifications

What are they saying?

Teachers

"We're only a week in and we've already been able to collaborate so much more than we could before. We've used it for math, science, indoor recess...the opportunities are endless."

"This environment has reduced the stress on students who don't have a known friend in their class, knowing that they'll still get to collaborate with them helps a lot."

Students

"I really like being able to leave the classroom to work on projects with my friends."

"My favorite part of the renovation? Recess."

WP32 - MS CTE Renovations

Construction Complete August 2023

Funding Source: 2020 Bond

Scope: All middle school FACS renovations.

WP32 - MS CTE Renovations

What are they saying?

Teachers

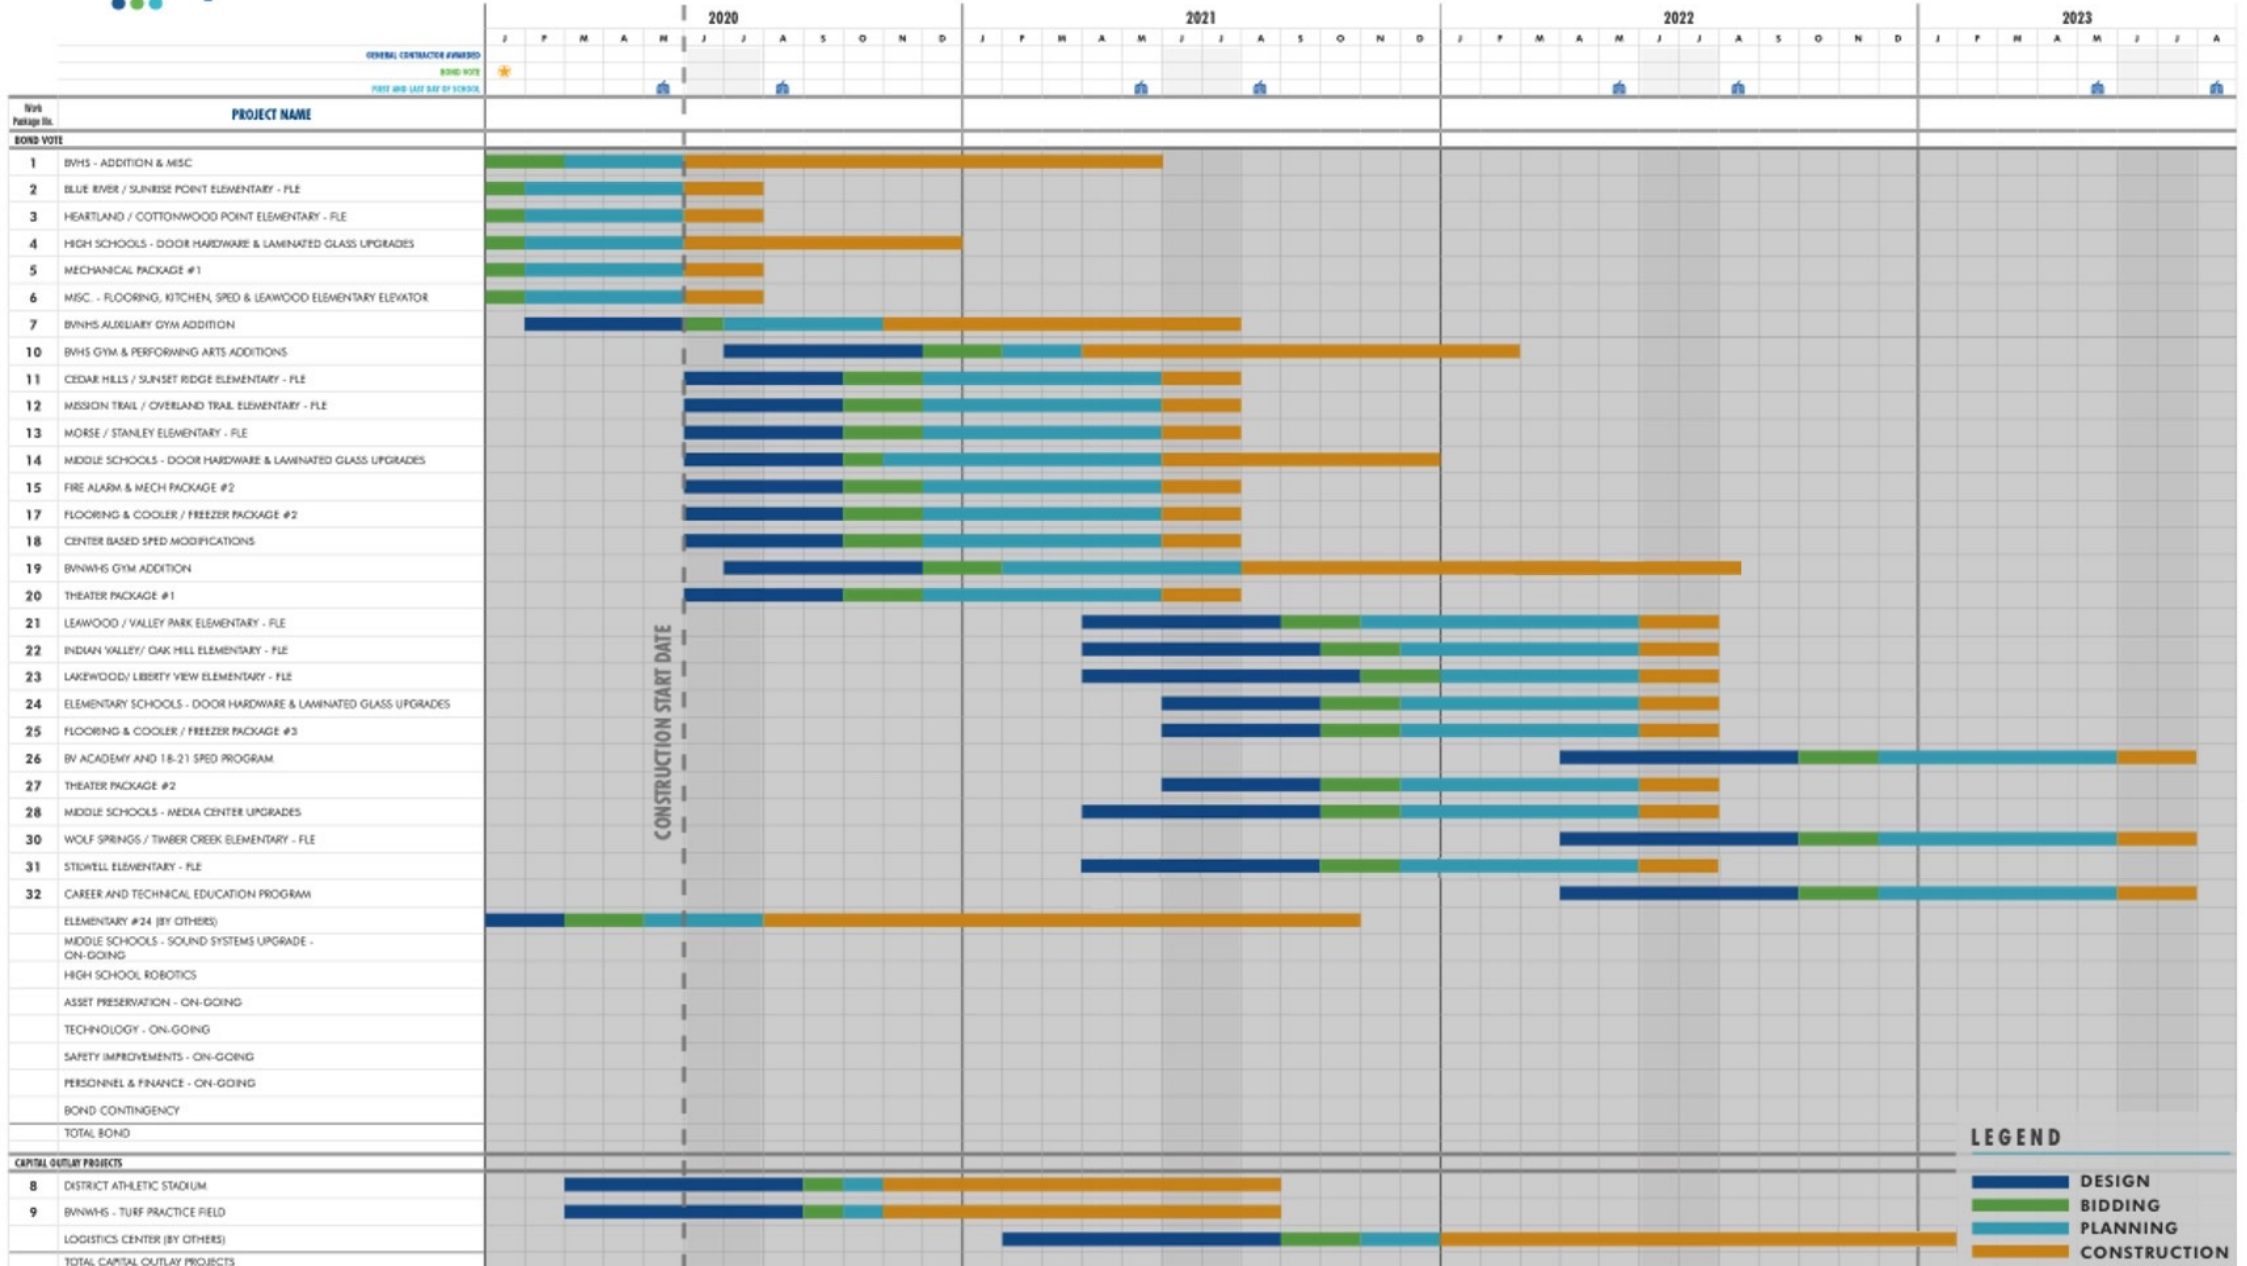

"This is a space I want to spend time in."

"This is going to elevate the experience for our kids and hopefully help them find a real passion for cooking."

Students

"I love how fresh the space feels. It feels very modern and sophisticated."

"It feels more like a commercial kitchen and I love that, and I love that we have AirFryers now."
