★ DEI Spotlight

For December, various holidays are celebrated worldwide, and many are observed among our families here at Overland Trail Elementary. Seeing how the staff has planned to engage with students to embrace and honor our cultural differences is fun. We welcome families to share how they plan to celebrate this December-January with the team. If you would like to send pictures, food, artifacts, etc., we would love to allow students to share more about themselves.

New Assessment Tool Replaces Longtime MAP Tests

A new assessment taking the place of MAP (Measure of Academic Progress) testing has made evaluating data easier for teachers and decreased testing time for students, allowing for more focused instruction time.

The district's goal for the school year is to have 84% of students who take the assessment score in the low-risk or college-ready category – or the 40th percentile.

End of Quarter Information - Viewing Canvas Courses and Second Quarter Grades

At the end of each quarter, courses in Canvas will conclude and will no longer be visible on the Canvas app and website. Courses for this year's second quarter will conclude on December 20th. Report cards will be generated and families will be able to view second-quarter grades on ParentVUE at the end of the day on

January 12th.

How do I view my child's report card?

- Log in on [ParentVue](#)
- Select your elementary student's name
- In the left navigation bar, choose REPORT CARD

If you have questions about Standards Based Grading as you view your child's report card, please review the information found on the [Elementary Report Card resource page](#).

Each new quarter, classroom teachers will publish their next quarter's Canvas course. As courses are published, students and families will again be able to see current courses on the Canvas app and Canvas website. For Canvas parent resources, visit www.bluevalleyk12.org/canvas.

Please look forward to information from room parents regarding volunteers. Similar to the Halloween Celebration, participation on this day will only be open to room parents and the assigned

volunteers. Per guidelines, younger and older siblings are not permitted to attend OTE's classroom celebrations.

Crosswalk Changes for the AM and PM

Dear families,

Last week, I sent an email informing you that the crossing guard will now be standing at the roundabout morning and afternoon. The guard will no longer be at the tennis court crosswalk due to All City Management Services policy. Pedestrians are encouraged to now go to the roundabout crosswalk and not use the former crosswalk by the tennis court.

I have shared many of your concerns regarding this change with the Overland Park Police Department; however, upon their review, this is the plan that will remain in place.

If your child is used to crossing at the tennis court crosswalk, please prepare them for this change.

Thank you,

Erica McDonald

Half-Day Dismissal Times for Dec. 20

There are two half-day dismissal times for MS and ES during the school year at the end of each semester. Here are the half day dismissal times on these half days—10:50am for MS and 11:45am for ES.

*Note: HS dismissal time on Dec. 20 is 10:25 am. Durham will consolidate bus routes and plan ahead to make the times work for all levels.

Important Travel Outside of the USA

Nut-Safer Guidelines

At OTE, we have a wide variety of food allergens and restrictions. To remain safe and to prevent exclusion, we don't accept food, including items from the Nut-Safe List, to serve in school or send home with students for birthday celebrations. This complies with our **non-edible birthday celebration**. Essentially, we must remember that sending food home is a risk for children as they transition between school and home, putting our families in an

undesirable position when they cannot eat what is provided.

Blue Valley (BV) School's Nut Safer Guidelines for daily snacks will be implemented throughout the school year.

- Classroom snacks must be from the Nut Safer list.
- Nut Safer seating is available in the café during lunch.

We appreciate your support as we work to be more preventative with food safety measures to enhance student and staff safety.

The complete **Nut Safer Foods** and BV Guidelines can be found [here](#).
