A Note From Mrs. Anderson

Dear families,

In light of the tragedy that occurred at the Chiefs Super Bowl celebration, our school community stands ready to support students who witnessed or were impacted by the violence. Over the past couple of days our staff has done a wonderful job of providing support to students as needed, in order to process their experience and emotions. Together, we will navigate this difficult time with strength and compassion. Please see below for further information and resources that may be helpful.

Input on Classroom Setting (Current Grades K-4)

Dear Families,

At Overland Trail Elementary, we are fully committed to students' academic success, personal growth, and general well-being. As such, we spend a great deal of time and energy ensuring that every child is placed in a classroom where they can thrive.

We begin focusing on classroom placement for the upcoming school year at this time of year. This process is extensive and multi-layered, including the perspectives of various staff members familiar with your child's personal and academic needs.

Though we do not allow requests for specific teachers, we offer families the chance to provide some optional input, if desired, regarding their student(s) as we make class lists. Please click [here](#) to provide input by March 29, 2024. After that date, input will not be accepted. Please note we will consider all input submitted by March 29, but fulfilling each family request is not always possible.

Rest assured that our team of educators considers each student's needs individually and as a member of the class group when making class lists, regardless of whether families provide their input.

Our common goal is to make the school experience the best for every child. Blue Valley is fortunate to have excellent teachers who put children first. We pledge to you that we will do all we can to make your child's education enjoyable, exciting, and productive.

Sincerely,
Erica McDonald

Planning for Inclement Weather Days in Blue Valley

As the winter months continue, there is always the possibility of inclement weather. When extreme weather conditions exist, the district may cancel school or utilize a two-hour delayed start when temporary adverse weather conditions exist. When possible, inclement weather announcements will be made the day before so staff and families can plan. More information about inclement weather (including 2-hour delayed starts) can be found on the district [website](#).

Securly HOME

Have you ever wondered how to monitor your child's usage on their Blue Valley device? We have parent tools that will allow you to receive notifications to ensure your child is using their device safely. School staff members monitor these devices during the school day and intervene, when necessary. However, parents can receive alerts if concerns arise when students use devices after school hours—including weekends and school breaks. Check out the [Securly Home](#) Parent Portal App here.

Community Celebrations and Observances - to promote awareness and appreciation of our Blue Valley families.

Some February Celebrations & Observances:

- **Black History Month** - created to celebrate the achievements, contributions, and rich cultural heritages of African Americans. Black History Month highlights the triumphs and adversities that have helped shape the United States.
- **World Hijab Day - February 1** - this day recognizes the millions of Muslim women who choose to wear the hijab. Inviting women of all identities to wear the hijab for one day, it promotes understanding of other cultures and personal freedoms of religious expression.

- **Lunar New Year - February 10** - celebrated by families of Chinese and other Asian heritages, some people celebrate with religious ceremonies honoring ancestors, giving and receiving red envelopes containing small amounts of money, lighting colorful lanterns, and eating traditional foods such as dumplings and sticky rice balls that symbolize family unity.
- **Ash Wednesday - February 14** - a Christian holiday signifying the first day of the Lenten season, the 40 days (excluding Sundays) leading to Easter. Some families will attend religious services and receive ashes in the shape of a cross on their forehead.

Application process

Online applications for the program will open Feb. 26 with a lottery system determining participation in the program. All applications will be entered into the lottery, with up to 50 percent of spots in the lottery reserved for students residing in the Blue Valley Southwest and Valley Park Elementary attendance areas. Selection is based on a random lottery, with no preference for early submissions. Siblings of current immersion students will have preference.

Immersion program

Immersion is an approach to second language instruction in which teaching and learning of core content occurs in a language other than English. Blue Valley's program is a dual language immersion model in which students are co-taught by two full-time classroom teachers, spending

about half of the day in Chinese and about half in English. For more information on the immersion program, visit www.bluevalleyk12.org/immersion.

More information will be shared with you at the end of February, including welcome videos, online registration instructions, and information about Kindergarten Round-Up in April. Please pass this message and link on to neighbors who might not have a student in our system and still need to receive our weekly emails.

BLUE VALLEY SCHOOLS
Education Beyond Expectations

Boundary and Neighborhood Changes for OTE

Our OTE community will be impacted by some neighborhood boundary changes. We will be welcoming some amazing, new families to our school this year. At the June 2023 Board of Education meeting, the board adopted boundary adjustments that address elementary school

enrollment and building capacity issues. These will begin for the 2024-25 school year. The following neighborhoods are impacted:

- Autumn Park (Arcadia), Villages of Overland View and Executive Hills boundaries will be adjusted to attend Indian Valley Elementary. This adjustment will also include a change in feeder pattern to Oxford Middle and Blue Valley Northwest.
- Deer Creek boundaries will be adjusted to attend Overland Trail Elementary.
- Sandstone Creek, Savoy and Plaza Gardens boundaries would be adjusted to attend Harmony Elementary. This adjustment will also include a change in feeder pattern to Harmony Middle and Blue Valley Northwest.
- Villas of Carrington Square Area boundaries will be adjusted to attend Heartland Elementary
- Glen Abbey & Villas of Chapel Green, and Highland Villas and Highlands Creek boundaries will be adjusted to attend **Prairie Star Elementary**. This adjustment will also include a change in feeder pattern to Prairie Star Middle and Blue Valley High.

OTE Volunteer Agreement

In order to ensure the safety of our students and staff, the admin team, in collaboration with the office staff, has devised a volunteer agreement that all volunteers must acknowledge and sign in the front office prior to volunteering in the building. Effective immediately, this volunteer agreement must be completed annually by all volunteers.

- _____ 4. I will stay in my designated place of work and will not transition to places where my support is not requested.
- _____ 5. I understand volunteering is a complimentary service to Overland Trail Elementary.
- _____ 6. I will respect student confidentiality and not discuss my observations or experiences with other individuals.
- _____ 7. I understand that transporting or instructing students is not a volunteer's role.

**Volunteers need to fill out this agreement once per school year.*

New Assessment Tool Replaces Longtime MAP Tests

A new assessment taking the place of MAP (Measure of Academic Progress) testing has made evaluating data easier for teachers and decreased testing time for students, allowing for more focused instruction time.

The district's goal for the school year is to have 84% of students who take the assessment score in the low-risk or college-ready category – or the 40th percentile.

Reporting Religious Absences

Did you know? Families can select “Religious Holiday” as an option for a child’s absence in ParentVue, when applicable. This notation could be helpful to our school staff so they can plan accordingly for your student’s absence.

Important Travel Outside of the USA

Nut-Safer Guidelines

At OTE, we have a wide variety of food allergens and restrictions. To remain safe and to prevent exclusion, we don't accept food, including items from the Nut-Safe List, to serve in school or send home with students for birthday celebrations. This complies with our **non-edible birthday celebration**. Essentially, we must remember that sending food home is a risk for children as they transition between school and home, putting our families in an

undesirable position when they cannot eat what is provided.

Blue Valley (BV) School's Nut Safer Guidelines for daily snacks will be implemented throughout the school year.

- Classroom snacks must be from the Nut Safer list.
- Nut Safer seating is available in the café during lunch.

We appreciate your support as we work to be more preventative with food safety measures to enhance student and staff safety.

The complete **Nut Safer Foods** and BV Guidelines can be found [here](#).
