Elementary Plan Time Family Survey

We want your feedback! Share your thoughts by March 20.

As we plan for the upcoming 2024-25 school year, we are prioritizing our commitment to enhancing the educational experience for our elementary school students by focusing on improving teacher plan time and fostering professional collaboration among our dedicated teaching staff. The options below are being considered as additions to next year's schedule of student attendance and non-attendance days.

After studying local, state and national best practices to achieve this goal, the district is considering two options:

- Weekly one-hour late start
- Non-student attendance day

Your input is invaluable to us as we make decisions that directly impact our students' learning journey. We value your feedback on these proposed options, and we encourage you to take the time to explore further and share your thoughts with us. Here's how you can get involved:

NEW! Listen to a new podcast episode: Tune into [part two of the elementary plan and collaboration time podcast episode](#) where we dive further into the importance of providing adequate plan and collaboration time for elementary teachers and how it positively affects student outcomes. [Listen to part one here.](#)

Review Frequently Asked Questions: Have questions about how these options will affect your child's education? Check out our [FAQs](#) to find answers to commonly asked questions.

Complete a short survey: We invite families who will have elementary students in the 2024-25 school year to share their thoughts and preferences by completing a [brief survey](#) by **March 20**. Your input will help us make informed decisions that benefit our entire school community.

Thank you for partnering with us in creating an environment where every child can thrive academically and personally.

Viewing Canvas Courses and 3rd Quarter Grades

End of Quarter Information: Viewing Canvas Courses and Third Quarter Grades

At the end of each quarter, courses in Canvas will conclude and will no longer be visible on the Canvas app and website. Courses for this year's third quarter will conclude on March 7th at 11:59pm. Report cards will be generated and families will be able to view third quarter grades on ParentVUE at the end of the day on March 29th.

How do I view my child's report card?

- Log in on [ParentVue](#).
- Select your elementary student's name.
- In the left navigation bar, choose Report Card.

If you have questions about Standards Based Grading as you view your child's report card, please review the information found on the [Elementary Report Card resource page](#).

Each new quarter, classroom teachers will publish their next quarter Canvas course. As courses are published, students and families will again be able to see current courses on the Canvas app and Canvas website. For Canvas parent resources, visit www.bluevalleyk12.org/canvas.

Calendar Adjustment: Students In School on April 1

We wanted to remind you to mark your calendars as school will be in session on April 1st instead of the previously scheduled professional development day in order to meet the state attendance requirements. This adjustment was made in response to the Chiefs Super Bowl Parade Day. We understand that this change may impact your plans, and we apologize for any inconvenience it may cause. If your child will not be present on this day, please use our typical absence reporting protocols to report the absence.

Blue Valley Summer Explorations enrollment opens March 18

Is your child looking to do a little exploration this summer? What about breaking out of summer boredom? Is your child a poet and they don't know it yet? Don't miss out on Blue Valley's Summer Explorations program, which features a variety of one-week, hands-on experiences that put fun at the forefront of learning. From Cardboard Constructions and Football Talk to Junior Chef Adventures, there is something for everyone. Enrollment opens 8 a.m. March 18 and closes 4 p.m. April 3. All summer programs will be held in person unless otherwise noted. Additional information about the Summer Explorations program, including a course catalog, can be found online at www.bluevalleyk12.org/summerprograms.

Clothing Drive for Project Grad

Looking for an opportunity to do some closet spring cleaning? Donate your used clothes, shoes and more to support Project Grad. For those unfamiliar with PG, it is a long-standing community sponsored tradition at BVN and provides a safe, alcohol-free, drug-free environment following Commencement for the entire Senior class. See the attached graphic for more information.

Dear Families,

At Overland Trail Elementary, we are fully committed to students' academic success, personal growth, and general well-being. As such, we spend a great deal of time and energy ensuring that every child is placed in a classroom where they can thrive.

We begin focusing on classroom placement for the upcoming school year at this time of year. This process is extensive and multi-layered, including the perspectives of various staff members familiar with your child's personal and academic needs.

Though we do not allow requests for specific teachers, we offer families the chance to provide some optional input, if desired, regarding their student(s) as we make class lists. Please click [here](#) to provide input by March 29, 2024. After that date, input will not be accepted. Please note we will consider all input submitted by March 29, but fulfilling each family request is not always possible.

Rest assured that our team of educators considers each student's needs individually and as a member of the class group when making class lists, regardless of whether families provide their input.

Our common goal is to make the school experience the best for every child. Blue Valley is fortunate to have excellent teachers who put children first. We pledge to you that we will do all we can to make your child's education enjoyable, exciting, and productive.

Sincerely,
Erica McDonald

Boundary and Neighborhood Changes for OTE

Our OTE community will be impacted by some neighborhood boundary changes. We will be welcoming some amazing new families to our school this year. At the June 2023 Board of

Education meeting, the board adopted boundary adjustments that address elementary school enrollment and building capacity issues. These will begin for the 2024-25 school year. The following neighborhoods are impacted:

- Autumn Park (Arcadia), Villages of Overland View and Executive Hills boundaries will be adjusted to attend Indian Valley Elementary. This adjustment will also include a change in feeder pattern to Oxford Middle and Blue Valley Northwest.
- Deer Creek boundaries will be adjusted to attend Overland Trail Elementary.
- Sandstone Creek, Savoy and Plaza Gardens boundaries would be adjusted to attend Harmony Elementary. This adjustment will also include a change in feeder pattern to Harmony Middle and Blue Valley Northwest.
- Villas of Carrington Square Area boundaries will be adjusted to attend Heartland Elementary
- Glen Abbey & Villas of Chapel Green, and Highland Villas and Highlands Creek boundaries will be adjusted to attend **Prairie Star Elementary**. This adjustment will also include a change in feeder pattern to Prairie Star Middle and Blue Valley High.

OTE Volunteer Agreement

In order to ensure the safety of our students and staff, the admin team, in collaboration with the office staff, has devised a volunteer agreement that all volunteers must acknowledge and sign in the front office prior to volunteering in the building. Effective immediately, this volunteer agreement must be completed annually by all volunteers.

School Volunteer Agreement (updated 12/21/23)

School Volunteer Agreement

Thank you for offering to volunteer at Overland Trail Elementary in the Blue Valley School District. We value having parents and caregivers in the building to support our students, staff, and school community.

The following agreement establishes an understanding of the role of a volunteer and ensures an understanding of the volunteering guidelines and school culture.

As a volunteer at Overland Trail Elementary, my initials below indicate that I understand and agree with the following:

- _____ 1. I must have my driver's license present at arrival to access the building.
- _____ 2. I will sign in at the office and acquire a volunteer sticker to wear visibly.
- _____ 3. I will report to my designated place of support and attend to my requested task.
- _____ 4. I will stay in my designated place of work and will not transition to places where my support is not requested.
- _____ 5. I understand volunteering is a complimentary service to Overland Trail Elementary.
- _____ 6. I will respect student confidentiality and not discuss my observations or experiences with other individuals.
- _____ 7. I understand that transporting or instructing students is not a volunteer's role.
- _____ 8. I will inform the school's administrators of any issue that may impact my service as a volunteer.
- _____ 9. I will adhere to the Blue Valley School District board policy **CIVILITY TOWARD STUDENTS AND EMPLOYEES 6341** (see opposite page)
- _____ 10. Upon conclusion of my volunteering, I will sign out in the front office.

I understand this agreement and will follow the guidelines set forth:

Name: _____

Signature: _____ Date: _____

**Volunteers need to fill out this agreement once per school year.*

New Assessment Tool Replaces Longtime MAP Tests

A new assessment taking the place of MAP (Measure of Academic Progress) testing has made evaluating data easier for teachers and decreased testing time for students, allowing for more focused instruction time.

The district's goal for the school year is to have 84% of students who take the assessment score in the low-risk or college-ready category – or the 40th percentile.

[Click here](#) to read the restrictions and recommendations for out of the country travel. Canvas, Classlink, and email are not accessible out of the country unless you have a **personal device** with a VPN on it.

We do not recommend BV Devices leave the country.

Reporting Religious Absences

Did you know? Families can select “Religious Holiday” as an option for a child’s absence in ParentVue, when applicable. This notation could be helpful to our school staff so they can plan accordingly for your student’s absence.

Important Travel Outside of the USA

This important message is for any family or staff that will **travel out of the United States** during the school year. Blue Valley resources such as Canvas, Classlink, and school email are not accessible out of the country unless you have a **personal device** with a **VPN** on it.

Nut-Safer Guidelines

At OTE, we have a wide variety of food allergens and restrictions. To remain safe and to prevent exclusion, we don't accept food, including items from the Nut-Safe List, to serve in school or send home with students for birthday celebrations. This complies with our **non-edible birthday celebration**. Essentially, we must remember that sending food home is a risk for children as they transition between school and home, putting our families in an

undesirable position when they cannot eat what is provided.

Blue Valley (BV) School's Nut Safer Guidelines for daily snacks will be implemented throughout the school year.

- Classroom snacks must be from the Nut Safer list.
- Nut Safer seating is available in the café during lunch.

We appreciate your support as we work to be more preventative with food safety measures to enhance student and staff safety.

The complete **Nut Safer Foods** and BV Guidelines can be found [here](#).
