A Note From Mrs. McDonald

A Note From Mrs. McDonald

Dear Families,

Thank you for your participation in conferences for the second semester. Virtual conferences to occur on Wednesday, February 12, will now happen at the same time you reserved on Wednesday, February 19. Please get in touch with your child's teacher to reschedule if your previously scheduled time does not work.

Conferencing enables our staff to speak more personally about your child's personal and academic progress. Our staff values this time and our ability to connect with parents and guardians while working collaboratively to support students. We appreciate your participation and willingness to learn about teaching and learning at Overland Trail Elementary and its profound impact on student success. Outside of scheduled conferences, we hope a continued partnership will enable all members to carry students into a successful school year-end.

Our staff sincerely thanks the PTO, Robin Snider and Lindsay Persell, who propelled us into a great week with Dave, Espresso à la carte. Additionally, Robin and Lindsay generously planned and set up a delicious chili dinner for our staff this past week. The OTE staff is going into an extended weekend with immense gratitude; thank you.

We hope you and your family enjoy this extended holiday weekend.

Erica

Best,
Erica McDonald

Community Celebrations and Observances

Community Celebrations and Observances - to promote awareness and appreciation of our Blue Valley families.

- **Lunar New Year** - February 10 - celebrated by families of Chinese and other Asian heritages, some people celebrate with religious ceremonies honoring ancestors, giving and receiving red envelopes containing small amounts of money, lighting colorful lanterns, and eating traditional foods such as dumplings and sticky rice balls that symbolize family unity.
- **Ash Wednesday** - February 14 - a Christian holiday signifying the first day of the Lenten season, the 40 days (excluding Sundays) leading to Easter. Some families will attend religious services and receive ashes in the shape of a cross on their forehead.
- **Magha Puja Day** - February 24 - an important Buddhist festival celebrating the gathering between Buddha and his first disciples. Some families will attend temple, meditate, listen to teachings, perform giving alms, and hold candlelight processions.

Teacher Collaboration Days

Teacher Collaboration Days

As we kick off the 2024-25 school year, I want to remind families about the teacher professional collaboration days designed for teacher plan and collaboration time. These eight days, which occur throughout the school year, are non-student attendance days for K-5 students. These days are vital to ensure the best possible preparation for our elementary students and key to quality teacher retention.

The following days, which can be found in the [2024-25 calendar](#) on the district website, have been designated as teacher professional collaboration days:

- August 30
- September 27
- November 1
- December 6
- February 28
- April 11
- May 2

Reminder: November 1st is a K-5 non-student attendance day for teacher collaboration time. During this time, elementary educators will be in their buildings and classrooms working to ensure the best possible preparation for our elementary students and supporting student learning outcomes.

School will be back in session on November 2nd.

Nut-Safer Guidelines

Nut Safer List 24-25

Nut-Safer Guidelines

At OTE, we have a wide variety of food allergens and restrictions. To remain safe and to prevent exclusion, we don't accept food, including items from the Nut-Safe List, to serve in school or send home with students for birthday celebrations. This complies with our **non-edible birthday celebration**. Essentially, we must remember that sending food home is a risk for children as they transition between school and home, putting our families in an undesirable position when they cannot eat what is provided.

Blue Valley (BV) School's Nut Safer Guidelines for daily snacks will be implemented throughout the school year.

- Classroom snacks must be from the Nut Safer list.
- Nut Safer seating is available in the café during lunch.

We appreciate your support as we work to be more preventative with food safety measures to enhance student and staff safety.

The complete list of nut-safe foods and BV Guidelines can be found [here](#).
