January 31: Student Attendance Day

January 31: Student Attendance Day

Due to the number of inclement weather days this month following winter break, January 31 will now be a school attendance day for all elementary students.

We deeply value the collaboration and planning time these days provide for our teachers, as they are essential in creating exceptional learning experiences for students. However, with the instructional time already lost in January, this adjustment ensures we can prioritize and maximize opportunities for student learning.

Thank you for your understanding and continued partnership in supporting your child's education.

Securly Home

Securly Home

Have you ever wondered how to monitor your child's usage on their Blue Valley device? We have parent tools that allow you to receive notifications to ensure your child is using their device safely. School staff members monitor these devices during the school day and intervene, when necessary. However, parents can receive alerts if concerns arise when students use devices after school hours—including weekends and school breaks.

Check out the [Securly Home](#) Parent Portal App here.

Winter Conferences

The following email was sent to all families on Wednesday, January 15.

Dear Parents and Caregivers,

It is time to sign up for a conference this winter. Suppose you schedule a conference on Tuesday, February 11, or Thursday, February 13. In that case, you will want to follow the directions provided so that your child's teacher understands your meeting preference, in-person or virtual. Lastly, Wednesday, February 12, is virtual, with no option to meet in person.

Teacher Collaboration Days

Teacher Collaboration Days

As we kick off the 2024-25 school year, I want to remind families about the teacher professional collaboration days designed for teacher plan and collaboration time. These eight days, which occur throughout the school year, are non-student attendance days for K-5 students. These days are vital to ensure the best possible preparation for our elementary students and key to quality teacher retention.

The following days, which can be found in the [2024-25 calendar](#) on the district website, have been designated as teacher professional collaboration days:

- August 30
- September 27
- November 1
- December 6
- February 28
- April 11
- May 2

Reminder: November 1st is a K-5 non-student attendance day for teacher collaboration time. During this time, elementary educators will be in their buildings and classrooms working to ensure the best possible preparation for our elementary students and supporting student learning outcomes.

School will be back in session on November 2nd.

Nut-Safer Guidelines

Nut Safer List 24-25

Nut-Safer Guidelines

At OTE, we have a wide variety of food allergens and restrictions. To remain safe and to prevent exclusion, we don't accept food, including items from the Nut-Safe List, to serve in school or send home with students for birthday celebrations. This complies with our **non-edible birthday celebration**. Essentially, we must remember that sending food home is a risk for children as they transition between school and home, putting our families in an undesirable position when they cannot eat what is provided.

Blue Valley (BV) School's Nut Safer Guidelines for daily snacks will be implemented throughout the school year.

- Classroom snacks must be from the Nut Safer list.
- Nut Safer seating is available in the café during lunch.

We appreciate your support as we work to be more preventative with food safety measures to enhance student and staff safety.

The complete list of nut-safe foods and BV Guidelines can be found [here](#).
