A Note From Mrs. McDonald

Overland Trail Families,

We've had a wonderful week of learning, growth, and connection here at school. Thank you for your continued support in helping make our community such a great place to learn!

As we prepare for fall parent-teacher conferences in October, please read below for information on how to reserve a time to meet with your child's teacher. Our goal is to achieve 100% participation from parents and guardians, as we know that this partnership is essential to supporting your child's personal and academic growth.

Lastly, we are just a couple of weeks away from the annual OTE Carnival! Be sure to read the PTO's most up-to-date information to learn how your family can participate in this fun-filled day.

Fever & Vomit Blue Valley Policy Reminder

The Fall allergy season has begun! Students with seasonal allergies are often bothered by itchy watery eyes, sneezing, post-nasal drip and scratchy throats. Please remember that if your child takes allergy medication on a daily basis that they are receiving that medication consistently prior to coming to school as we want them to have the best opportunity to stay focused on learning

within the classroom. This school year we will not stock allergy medications like Zyrtec or Claritin in the health room, so it is important for students who suffer from allergies to remember to take their medications at home. Thank You!

We are actively seeking sponsors and donors to help make this event a success. By partnering with us, you'll not only promote your business to hundreds of local families but also directly support the **20+ PTO committees** that enrich the lives of OTE students, families, and staff. Donate to the Class Celebration Fund

Help us make classroom celebrations and staff appreciation events extra special this year! Your donation to the Classroom Fund supports:

- Three PTO-sponsored classroom celebrations (Halloween, Winter, Valentine's)
- American Education Week recognition
- Teacher Appreciation Week festivities

All donations are collected by grade level to ensure consistency and equity across classrooms. If a grade does not meet its budgeted goal, the PTO will subsidize the difference so that every student receives the same experience.

✳️ Please note: These funds will not be used for teacher birthday or holiday gifts.

Thank you for your generosity and support in making Overland Trail Elementary a joyful and inclusive place for all students and staff!

Reporting Religious Absences

Did you know? Families can select “Religious Holiday” as an option for a child’s absence in ParentVue, when applicable. This notation could be helpful to our school staff so they can plan accordingly for your student’s absence.

Little Mustangs Cheer Clinic

Visitors During the School Day

As a reminder, all elementary schools in the district—including Overland Trail Elementary—utilize a **buzz-in entry system** for all visitors during the school day to help maintain a safe and secure environment.

When visiting the school, please come to the **main entrance** and press the buzzer. You will be asked to:

1. Show a government-issued photo ID
2. State the purpose of your visit

This process is required **each time** you visit the school. If you arrive without identification, the office will need to seek administrative approval before allowing entry.

For security reasons, we kindly ask that all guests **refrain from holding the door open for others**. Each visitor should go through the buzz-in process individually to ensure proper screening.

Birthday Policy

Due to the growing number of food allergies and medical needs of students, OTE has a **non-edible** treat policy. Students may bring non-edible birthday treats (e.g., pencils, stickers, etc.) per arrangement with the classroom teacher. Remember that a birthday celebration should not take away from instructional time.

Birthday Invitations: We ask that students not distribute invitations to private birthday parties at school unless every class member receives an invitation.

Nut-Safer Guidelines

At OTE, we have a wide variety of food allergens and restrictions. To remain safe and to prevent exclusion, we don't accept food, including items from the Nut-Safe List, to serve in school or send home with students for birthday celebrations. This complies with our **non-edible birthday celebration**. Essentially, we must remember that sending food home is a risk for children as they transition between school and home, putting our families in an

undesirable position when they cannot eat what is provided.

Blue Valley (BV) School's Nut Safer Guidelines for daily snacks will be implemented throughout the school year.

- Classroom snacks must be from the Nut Safer list.
- Nut Safer seating is available in the café during lunch.

We appreciate your support as we work to be more preventative with food safety measures to enhance student and staff safety.
