

PSE Weekly Howl

Week of April 7th!

Attendance Matters: Setting the Stage for Success

At the elementary level, regular attendance is key to building habits that last a lifetime. Children thrive on routine, and attending school every day helps them feel part of their class, stay engaged in learning and build confidence. When students are absent, they miss valuable lessons, classroom discussions and social interactions.

Regular attendance ensures that your child stays on track with their learning. Each day builds upon the previous one, and when your child is present, they are able to grow academically and socially. You play an important role in helping your child establish good attendance habits, which will serve them throughout their school years and beyond.

Motorized Vehicle Safety

To help keep our campus as safe as possible for pedestrians and motorists, we kindly ask that students who ride electric or motorized bikes or scooters to school turn off the motor once they arrive on district property. Students should dismount and walk their bikes or scooters to the bike rack using marked crosswalks.

At dismissal, we also ask that students wait to engage the motor until they have fully exited the school campus.

Thank you for taking a moment to talk with your children about safe and respectful riding habits—we truly appreciate your support!

Donuts with Divas

Join us for Donuts with Divas! Bring your favorite "diva" to the cafeteria on April 23rd and 24th from 7:45-8:25. Students can attend with a parent or another amazing adult to enjoy a free breakfast, including donuts, fruit, milk, juice, and coffee. Last names A-M come on Wednesday, April 23rd, and N-Z on Thursday, April 24th. If you need to switch days, that is fine. We hope to have about half the families each day to spread out the crowd and help with parking.

We are excited to offer Prairie Star students the opportunity to join the running club for the spring 2025 season. This will allow students to learn the fundamentals of running and build healthy habits.

E-mail Katie Haberberger at kaitlyn.steis@gmail.com or Kelsey Antcliff kelsey.antcliff@gmail.com for further information or questions. I appreciate your support!

PSE STEM CLUB LAST SESSION

It's time for our last session (4/17) of the 24-25 PSE STEM Club for 3rd, 4th, and 5th graders! We will dive into the exciting world of science, technology, engineering, and math through fun, hands-on activities that challenge your student to think outside the box. Our session will run from 3:45 - 5:00pm with Mrs. Bonner and Mr. Ramsey. Reminder that these sessions are dependent from one another. You must sign up on the PTO website for each individual session to attend STEM club.

Pick up will be at 5pm in front of the building. Parents/Guardians must pick up in person - carline is not an option for this event.

Optional form for Parent Input on Class Placement

One of the biggest concerns of most parents is classroom placement each year for their students at school. I'm sharing our current procedure for placing students in classes with that in mind.

In the spring, current grade classroom teachers, building learning specialists, the counselor, and the principal meet to discuss student needs and form initial classes for the upcoming year. There

are always changes during the summer due to new students that may enroll. With over 400 students to consider at Prairie Star Elementary, we take this task very seriously to end up with classes where students can thrive. We work hard to develop classes that include:

- A mix of boys and girls
- A range of academic abilities
- Compatible student personalities
- Overall class sizes that are approximately equal across the grade level

Parent input in this process is undoubtedly welcome if parents want to share information about their child that we might not already know. The parent input form (attached) has been designed for this purpose. Parents who complete the optional input form will need to have the form **completed and turned in to the office by April 15, 2025.**

[WATCH THE VIDEO](#) TO LEARN MORE ABOUT THEIR IMPACT AND HOW WE CAN HELP THEIR MISSION. OUR HYGIENE DRIVE WILL TAKE PLACE APRIL 4-11. THANK YOU FOR YOUR GENEROSITY! THE GRADE LEVEL WITH THE MOST DONATIONS WILL EARN EXTRA RECESS TIME!

Seven Days of Kindness

During April 7- 11, we will celebrate Kindness Week at Prairie Star with Seven Days of Kindness! The mission of Seven Days is “Make a Ripple to Change the World by Connecting Communities.” If you are unfamiliar with Seven Days, please take some time to check out their story on their website. This organization has done amazing work encouraging and teaching kindness and tolerance amidst the most tragic circumstances. We will use words from Seven Days to guide the week on celebrating Kindness. Below are the days and how we will be celebrating. We cannot wait to hear from our students about spreading kindness at PSE!

Monday- LOVE DAY

Tuesday-DISCOVER DAY

Wednesday- CONNECT DAY

Thursday- GO DAY

Random Acts of Kindness Bingo

This week, we are excited to introduce a *Random Acts of Kindness Bingo* challenge for our students! The idea is simple – students will receive a Bingo card with different acts of kindness. These acts could be as small as holding the door open for a friend. Students can complete as many acts as they like throughout the week (April 7-10), aiming to get five in a row (vertically, horizontally, or diagonally). Once completed they will turn their Bingo card in to Mrs. Furdek to enter for a raffle prize.

This activity is a fun and meaningful way to encourage kindness, and we hope it helps students realize that even small gestures can make a big difference in their community.

I appreciate your support in helping spread kindness at school!

Social Thinking with Mrs. Furdek

For the past two weeks, our students have been learning about Space Invader and Space Base. Space Invader is the unthinkabot that invades others' space, and it can make us feel uncomfortable. We discussed that our comfort level with others invading our space can vary. Students came up with a list of individuals we allow in a smaller comfort bubble (family members, siblings, close friends, doctors, dentists, teachers, etc).

Space Base is the Thinkable that pairs with Space Invader. We must activate our Space Base thinking to help create space for others. Space Base helps all of us measure the place to figure out the space. Another tool Space Base helps with is the One-Arm Rule in standing with a group of people. Finally, Space Base also helps us be social detectives when we are in a space with others. The example given to students was if you are standing too close to an individual and they step away they are asking for space in a non-verbal way.

Next week 3rd-5th will be learning about Mean Bean and Nice Light.

Incoming Kindergarten Information for 25-26

Hello, Incoming Kindergarten Families-

We are excited to welcome your new kindergarten student for the 2025-26 school year. I look forward to having you join our PSE family. Please reach out with any questions. Please review/complete the steps below. Your timely registration will make sure our team is prepared.

🌐 To read this email in a language other than English, [click here](#).

Step 1: Do you have questions about kindergarten programs in Blue Valley? (Click on the blue links below)

- What do kindergarten students experience during a [typical day](#)?
- How can I learn about the [Chinese immersion](#) option?

Step 2: Is there another language spoken in your home?

If so, please complete this [form](#). Otherwise, move to step 4.

Note: If your family speaks English *in addition* to another language, you will still need to complete the form.

Step 3: How do I register my child?

🌐 To view registration instructions in a language other than English, [click here](#).

To begin the registration process for the 2025-26 school year, simply go to www.bluevalleyk12.org/registration and click **New Student Registration** in the Useful Links. Families new to Blue Valley will be asked to create an online parent account. Online registration will take approximately 20 minutes to complete and it is an important step in getting your student started with kindergarten! You will be asked to pay fees later this spring.

Please note: If your child is currently enrolled in the Blue Valley early childhood program, you will not complete online registration at this time. Families transitioning from early childhood to kindergarten will have an opportunity to verify the information and complete the registration process later this spring.

To make Blue Valley's Online Registration process smooth and convenient, please have the following information available:

- Student proof of identity (birth certificate)
- Emergency contact name(s) and phone number(s)
- Doctor, dentist and preferred hospital contact info
- Immunization record and health assessment (physical)
- Proof of residency (purchase contract, lease or current utility bill)
- Custodial documentation (if applicable)
- Previous school records and contact info
- IEP or 504 Plan (if applicable)

Tip: As soon as your child's registration is complete, you will begin receiving all-school communication items that will help welcome you and your family into the school community.

If you have any questions, please call the Prairie Star Elementary office at 913-239-7100.

PSE Chess Club

Ready to make a bold move? We're calling all kings, queens, and future grandmasters to join our Chess Club! It's the *perfect gambit* for kids to sharpen their minds, develop winning strategies, and *castle* their way to fun with friends.

We're currently *pawning* for feedback—let us know what you'd like to see in a chess club and help us make the perfect opening move!

Please fill out [this google form](#) if you would like to receive more information on the club, get updates and reminders for upcoming sessions, and be the first to know when registration opens! ***This club is looking to start in the Fall of 2025***

We are looking for any parents who have advanced knowledge of the game of chess and would enjoy being used as a resource for information and planning. If interested, please use [this contact form](#) or feel free to email [Colin Ramsey](#) with any questions!

District News:

Last day announced for 2024-25 school year

With the fourth quarter underway, the district has determined the last day of the 2024-25 school year for students. Assuming no unforeseen circumstances cause us to cancel school, the last day for students in grades K-11 will be May 23. Students in the early childhood programs will have their last day on May 22.

High school finals will occur May 21-23, with building principals communicating the specific schedules to their school families and students at a later date. For more information or to subscribe to the district calendar, visit www.bluevalleyk12.org/calendar.

Summer Explorations enrollment now open

Looking for engaging summer learning opportunities for your child? Enrollment is now open for Blue Valley's Summer Explorations program! With a variety of one-week, hands-on experiences, there's something to spark every child's interest. Enrollment closes 4 p.m. April 7. For more information about the Summer Explorations program visit www.bluevalleyk12.org/summerprograms.

Mark your calendars for the 2024-25 K-5 teacher professional collaboration days.

As we kick off the 2024-25 school year, I want to remind families about the teacher professional collaboration days designed for teacher plan and collaboration time. These eight days, which occur throughout the school year, are non-student attendance days for K-5 students. These days are vital to ensure the best possible preparation for our elementary students and key to quality teacher retention.

The following days, which can be found in the [2024-25 calendar](#) on the district website, have been designated as teacher professional collaboration days:

- April 11
- May 2

Thank you for your support and partnership as we ensure our educators have adequate plan and collaboration time. Have a wonderful school year!

Partnering for a Safe School Community

Ensuring our students' and staff's safety and well-being remains our highest priority. As we near the end of the school year, we want to take a moment to thank our families for their partnership. Your support and conversations at home have made a meaningful impact on student behaviors, reinforcing the importance of making good choices and reporting concerns appropriately.

How We Address Threats

We take every report of a threat seriously—whether that threat is made on social media, in person or through another means. Our administrators work closely with our Safety and Security team and local law enforcement to investigate each case thoroughly. This process includes reviewing past behavior, gathering input from families, and conducting interviews. If a credible threat is identified, we will immediately notify staff and families. You can learn more about our safety protocols and threat assessment process on our [district website](#).

Partnering to Keep Schools Safe

This spring, we will continue our informational graphics through Canvas for grades 6-12 about the real consequences of making threats. Even offhand comments or social media posts can have serious repercussions, including school disciplinary action or legal consequences. It's important for students to think before they post or speak.

We encourage families to listen to our fall 2024 [BV Unmuted podcast episode: Understanding Threats and Their Consequences](#). In this episode, former Interim Chief Simon Happer (Overland Park Police Department), Dan Carney (Director of Safety & Security), and Dr. Katie Collier (Deputy Superintendent for Learning) discuss how Blue Valley ensures a safe and secure learning environment.

🔊 Listen here: [BV Unmuted: Understanding Threats and Their Consequences](#)

How You Can Help

- Report Concerns: Please remind your student to report any concerning behavior to school staff or use our [online reporting system](#).
- Avoid Spreading Rumors: Social media can spread misinformation and create unnecessary anxiety. Instead of sharing posts, report them directly to school administrators or law enforcement with as much detail as possible.

Your partnership plays a vital role in maintaining a safe school environment. Thank you for your ongoing trust and support.
