

# Blue Valley Early Childhood School Supply List 2024-25

All early childhood classrooms will use the same supply list. Teachers may have other optional requests. Quantities are limited to minimize storage; teachers may request more of some items mid-year as they are used up.

If you are not able to purchase all items at the start of school, no worries! The items needed by the first day are the backpack and folder. Other items can be sent in as you have them.

- Full sized backpack (child size is fine if a two pocket folder can fit without folding... *please no toddler backpacks or rolling backpacks*)
- Pocket folder
- 10 pack Crayola Washable Markers
  - PM -- Original colors
  - AM -- any other colors
- Crayola crayons -- standard size, 16 or 24 pack
- 2 jumbo sized Elmer's school glue sticks
- 1 school sized bottle Elmer's school glue
- 1 pair of preschool sized Fiskar scissors
- 1 package of 8 pan Crayola Washable Watercolors
- Play-Doh brand playdough -- 4 pack any colors (if you'd like to send a tub, we'd take that, too!)
- 2 boxes of facial tissues
- 1 box zipper style plastic storage bags
  - PM -- Gallon sized
  - AM -- Any Other size

*In addition, all students should have a spare change of clothing. Your teacher will let you know whether this can be stored at school or will remain in your child's backpack.*
