Football Field Renovation

The LMS football field is receiving new sod. Many of you may have already noticed the work being done on the field. We need your help keeping individuals off of the new sod until March (at the earliest). There will be signage on the field to help everyone know where the new sod is (middle of the field, hash to hash). The community is still welcome to use the track. We also welcome you all to use the fields to the south of the football field.

1st All School Assembly

LMS was excited to hold their 1st school assembly since 2019. We kicked off the assembly with the BVN Band and Color Guard. We also honored our Fall KSHSAA Award of Excellence. This award was given to individuals who display exemplary acts of sportsmanship, ethics, and integrity. We recognized individuals from Choir, Band, Orchestra, Musical, Football, Volleyball, Cross Country, and Cheer.
