Hopefully the sun will come out this weekend and help melt the snow so our carline and campus are easier to navigate next week. Construction Update

We are thrilled to be receiving a new multipurpose center/gym at HMS. This is exciting news and we are very thankful that the latest BV Bond passed. I have been told that the construction work will not impact our arrival and dismissal the rest of this school year. The new addition is supposed to be ready by October of next school year. Please reach out if you have any questions or concerns about the construction.

Attendance/Tardies

School is in full swing and we're starting to see an uptick in tardies, specifically to 1st hour. Students should be in the building by 7:45am, as classes start at 7:51am.

If your student is running late, we will always work with you, you just need to communicate with us. There are several ways to communicate with us to make it easy to report an absence or late arrival:

*Call our office (913) 239-5200

*Send an email to our office attendance account- AttendanceHMS@bluevalleyk12.org

*Use the ParentVue app/website (click 'Report an Absence')

As indicated in our handbook and website, **make sure to let us know that your student is arriving late before 8:10am or it will be unexcused/marked as an absence.** Students are allowed three (3) tardies each quarter and on the fourth tardy, will receive a lunch detention. Teachers will use the same tardy policy for class periods two-nine.

- Pull forward all the way before allowing your student to exit the car.
 - This is extremely important. Do not stop until you have pulled all the way up as far as you can in front of the school.

Proactive School Safety

Proactive School Safety: How Blue Valley Addresses and Assesses Threats

At Blue Valley Schools, student safety is our top priority. Our approach to safety blends proactive prevention, fostering strong adult-student relationships and maintaining robust physical security measures. Central to our strategy is understanding and addressing potential threats.

What Constitutes a Threat?

A threat includes any expression of intent to harm, whether spoken or written. Identifying and responding to these expressions is crucial to the safety of our school community.

The Role of Threat Assessments

Blue Valley's comprehensive threat assessment process has two primary objectives:

- **Preventing Violence:** We work to intervene before potential threats escalate.
- **Resolving Underlying Issues:** By understanding the reasons behind a threat, we can resolve conflicts and provide necessary support.

Structured, Evidence-Based Approach

Blue Valley Schools follows the Comprehensive School Threat Assessment Guidelines (CSTAG), a nationally recognized, evidence-based program. This approach ensures that we not only prevent violence but also support individuals in need.

Since the fall of 2023, Blue Valley building leaders have been trained in and actively using this Threat Assessment approach. This consistent use of CSTAG has equipped leaders with a common vocabulary and protocol, enabling them to resolve situations more effectively when threats arise.

By staying committed to this structured and compassionate approach, Blue Valley Schools ensures that students and staff are supported, safe and able to focus on what truly matters—learning through extraordinary educational opportunities.

More information about Blue Valley's threat assessment process is available on the [district website](#).

High School Game Atmosphere

Blue Valley families,

We are asking that all elementary and middle school students enter the game with an adult and sit with that adult throughout the game. Please do not drop your child off at a district event without supervision as they will not be allowed to enter. It is challenging to monitor and keep all students safe without the help of our parent community. Thanks for your help with this protocol to make district events a great experience for all who attend. We hope to see your family cheering for our Blue Valley teams this school year.

Director of School Administration, Athletics and Activities
