END OF QUARTER INFORMATION

End of Quarter Information: Canvas Courses

At the end of each quarter, most courses in Canvas will conclude and will no longer be visible on the Canvas app. A concluded course is only visible through the Canvas website by selecting All Courses on the Courses tab and scrolling down to the Past Enrollments section. **Courses for this quarter will conclude on March 7th, 11:59 pm.** Report cards will be generated and viewed on ParentVUE at the end of the school day on March 22nd. At the start of the new quarter, teachers will publish new Canvas courses. As courses are published, students and families will again be able to see current courses on the Canvas app and Canvas website. For Canvas parent resources, visit www.bluevalleyk12.org/canvas.

GAMES ON DISTRICT DEVICES

In an effort to reduce distractions in the learning environment for all of our students, beginning on January 4, 2024, all students will have general gaming websites blocked on district devices (examples include: Fortnite, crazygames.com, recreational games, arcade-like games, etc.). Educational games will still be allowed.

CARLINE REMINDERS

Please remember to follow our carline rules at all times to ensure efficiency for all.

1. Use the east entrance to the front circle. The west entrance is for buses only.
2. Pull forward all the way before allowing your student to exit the car.
 1. This is extremely important. Do not stop until you have pulled all the way up as far as you can in front of the school.
 2. Please have your student exit the car quickly. One slow car can back up the entire carline.
3. Pull to the left after your student exits your car. (this is extremely important to ensure traffic continues to flow)
4. Turn right only when exiting the parking lot. Waiting to turn left completely halts our carline.

Also, please DO NOT park along 141st street during pickup or dropoff. This is a no parking zone as it is a safety issue for our students trying to use the crosswalk. Please enter the HMS parking lot to pick up your student after school.

SAFE SCHOOL REPORTING

Blue Valley Schools is committed to promoting and fostering a safe environment in and around all of our schools. Through the convergence of physical and intellectual security measures, we are continuously working to prevent, mitigate, respond to and recover from a wide range of emergencies. Please check out [available ways to report safety concerns](#).

STUDENT CODE OF CONDUCT

The Blue Valley Board of Education approved updates to Board Policy [3500](#) - Behavior and Discipline at the August 14, 2023 Board of Education meeting. As part of this approval, there is a [Student Code of Conduct](#) document. We ask all families and students within our school community to review the contents, policies and procedures within this [Student Code of Conduct](#).

Administrative actions taken as a result of a violation of the code of conduct are determined following proper investigation, review, and/or consideration of the age/grade of the student, context, and situation in which the behavior in question occurred. The scope of authority of the Blue Valley Student Code of Conduct applies at all times when students are on school buses or other vehicles used by the district to transport students, school district property, or engaged in official school activities. Additionally, **this code of conduct applies to any student whose conduct at any time or place has a direct and immediate effect causing substantial disruption impacting the order of school operations and/or the sense of student and staff safety that exists in the school or school-related environment.**

Students at HMS will be made aware of behavioral expectations and the Code of Conduct through grade level talks next week. Every student at HMS also has our handbook in the front of their student planner.

HIGH SCHOOL GAME ATMOSPHERE

Blue Valley families,

We are excited to have your families come to support our high school activities and athletics. It is great to see the entire community at these events. It is imperative that our parent community partner with us as we work to encourage positive elementary and middle school behavior at high school games or events.

We are asking that all elementary and middle school students enter the game with an adult and sit with that adult throughout the game. Please do not drop your child off at a district event without supervision as they will not be allowed to enter. It is challenging to monitor and keep all students safe without the help of our parent community. Thanks for your help with this protocol to make district events a great experience for all who attend. We hope to see your family cheering for our Blue Valley teams this school year.

Matt Ortman
Director of School Administration, Athletics and Activities
Blue Valley School District

MIDDLE SCHOOL GAME ATMOSPHERE

As a reminder for all fans and spectators, please be considerate of our workers running clock, supervising, and keeping score. All of the workers at the middle school games/meets are volunteers who are giving up their time after school to support HMS students and athletics. The goal is to continue to have volunteers to run the events, so please be kind :).

PTO THANKS:

Big thanks to Arwen Moore & family for working two basketball games this past week at the HMS Concession Stand. Special thanks to Kelly Smith & family and Candace King & family for also working shifts at the concession stand. The HMS PTO greatly appreciates your help and time! Thank you!

HMS PTO COMMUNICATIONS & VOLUNTEER COORDINATOR OPENING:

This is a very rewarding volunteer opportunity and you don't have to attend any PTO board meetings! The position involves managing the HMS PTO Sign Up Genius Account (creating and sending out sign ups), the HMS PTO Gmail account, HMS PTO Concession Stand volunteers, and the PTO information for the weekly T-Bird Times. If you are interested - please reach out to Katie Scheibel at katie_scheibel@hotmail.com.

STUDENT SERVICES

GO FOR THE GREEN FOOD DRIVE March 4th through 7th.

HMS has had a unique partnership with our local Harvesters organization which allows us to encourage our families and staff to help reduce food insecurity in the metro area! We have been participating in "Go For the Green" and have been successful for 16 years. HMS has been recognized for having more food donations than any other school in the entire metro! Students had a lesson this week to help them understand food insecurity and become familiarized with the amazing work Harvesters does for the metro.

HMS Student Council will have barrels set up in the entry to allow students to donate when they arrive at school. StuCo members will be at the entrance before school to collect items and money and give students tickets for a lunchtime raffle. We will have daily drawings for those who donate and the winner at each grade level will receive a prize each day. There will also be a prize for the class who has the most participation!

The need for food assistance is greater now more than ever with people in our community. Please do what you can to help....for every dollar you donate, Harvesters can provide 2 meals for families in need. We're looking forward to seeing what our T-Bird family can make happen!

CAREER CAFE

Students enjoyed listening to our February Career Café Speaker, Heather Carmichael who shared with students how she helps companies convey their message and market products. She was also able to have an engaging conversation around AI and how she uses it within her profession.
