Last day Announced for 2024-25 School Year

With the fourth quarter underway, the district has determined the last day of the 2024-25 school year for students. Assuming no unforeseen circumstances cause us to cancel school, the last day for students at HMS will be **May 23** with a dismissal time of 10:50 AM.

Blue Valley Board of Education names Dr. Gillian Chapman incoming superintendent

After a comprehensive national search and meaningful engagement with the community, the Blue Valley Board of Education is honored to announce the unanimous selection of Dr. Gillian Chapman as the district's next superintendent.

"I am honored to join a community where students are at the heart of every decision," said Dr. Chapman. "Blue Valley's commitment to academic excellence, personalized learning and strong community partnerships aligns closely with my values. I look forward to listening, learning and building meaningful relationships as we work together to support every student's success in school and life."

Dr. Chapman currently serves as superintendent of Teton County School District #1 in Jackson Hole, Wyoming. Before that, she served in the Shawnee Mission School District for 21 years, including 10 years in district-level leadership and seven years in building-level leadership. With more than 25 years of educational leadership experience, she brings a proven track record of championing student-centered innovation, developing staff recruitment and retention programs, leading strategic planning efforts and overseeing facilities and infrastructure growth. Dr. Chapman will officially begin as superintendent on July 1, 2025.

Construction Update

We have our precast cement walls up! Also, plumbing for the restroom inside the new gym was connected over spring break as well. It is very cool to see how quickly it went from a dirt hill to looking like an addition to our school.

Attendance/Tardies

Students should be in the building by 7:45am, as classes start at 7:51am.

If your student is running late, we will always work with you, you just need to communicate with us each day that they are late. As indicated in our handbook and website, **make sure to let us know that your student is arriving late before 8:10am or it will be unexcused/marked as an absence.** Students are allowed three (3) tardies each quarter and on the fourth tardy, will receive a lunch detention. Teachers will use the same tardy policy for class periods two-nine. This is a BV district policy.

There are several ways to communicate with us to make it easy to report an absence or late arrival:

*Call our office (913) 239-5200

*Send an email to our office attendance account- AttendanceHMS@bluevalleyk12.org

*Use the ParentVue app/website (click 'Report an Absence')

Please remember to follow our carline rules at all times to ensure efficiency for all.

- Use the east entrance to the front circle. The west entrance is for buses only.
- Pull forward all the way before allowing your student to exit the car.
 - This is extremely important. Do not stop until you have pulled all the way up as far as you can in front of the school.
 - Please have your student exit the car quickly. One slow car can back up the entire carline.
- Pull to the left after your student exits your car. (this is extremely important to ensure traffic continues to flow)

Proactive School Safety

Proactive School Safety: How Blue Valley Addresses and Assesses Threats

At Blue Valley Schools, student safety is our top priority. Our approach to safety blends proactive prevention, fostering strong adult-student relationships and maintaining robust physical security measures. Central to our strategy is understanding and addressing potential threats.

What Constitutes a Threat?

A threat includes any expression of intent to harm, whether spoken or written. Identifying and responding to these expressions is crucial to the safety of our school community.

The Role of Threat Assessments

Blue Valley's comprehensive threat assessment process has two primary objectives:

- Preventing Violence: We work to intervene before potential threats escalate.
- Resolving Underlying Issues: By understanding the reasons behind a threat, we can resolve conflicts and provide necessary support.

Structured, Evidence-Based Approach

Blue Valley Schools follows the Comprehensive School Threat Assessment Guidelines (CSTAG), a nationally recognized, evidence-based program. This approach ensures that we not only prevent violence but also support individuals in need.

Since the fall of 2023, Blue Valley building leaders have been trained in and actively using this Threat Assessment approach. This consistent use of CSTAG has equipped leaders with a common vocabulary and protocol, enabling them to resolve situations more effectively when threats arise.

By staying committed to this structured and compassionate approach, Blue Valley Schools ensures that students and staff are supported, safe and able to focus on what truly matters—learning through extraordinary educational opportunities.

More information about Blue Valley's threat assessment process is available on the [district website](#).
