Friday, May 24 is the last day of school with a 10:50 AM dismissal. **Yearbooks will not be distributed prior to this date for any reason.** If your family is traveling and will miss the final day of school, your student's Yearbook can be picked up at a later date. REGISTER FOR THE 2024-25 SCHOOL YEAR TODAY

[Middle school registration](#) for the 2024-25 school year is open and [online now](#) for current students and families. Registration is required annually and is the time to update your child's information (phone, email, emergency contacts, health information, etc.). At this time, you have access to pay all required fees except for course fees. Course fees will be assigned in **September**.

Completing registration now confirms that your child will attend school in August and helps the district appropriately staff classrooms. Thank you for providing important information as part of the registration process. For more registration information, visit www.bluevalleyk12.org/registration.

8TH GRADE COMMUNITY SERVICE PROJECT NEEDS

Every year, the eighth grade does a community service project for local animal shelter(s) in hopes of helping out around the community. This year, we decided to make homemade dog toys out of household items for the dogs. **If you have any spare t-shirts, knee-high socks, or tennis balls around the house, please consider donating for this cause.** Thank you!

CARLINE REMINDERS

Please remember to follow our carline rules at all times to ensure efficiency for all.

1. Use the east entrance to the front circle. The west entrance is for buses only.
2. Pull forward all the way before allowing your student to exit the car.
 1. This is extremely important. Do not stop until you have pulled all the way up as far as you can in front of the school.
 2. Please have your student exit the car quickly. One slow car can back up the entire carline.
3. Pull to the left after your student exits your car. (this is extremely important to ensure traffic continues to flow)
4. Turn right only when exiting the parking lot. Waiting to turn left completely halts our carline.

Also, please DO NOT park along 141st street during pickup or dropoff. This is a no parking zone as it is a safety issue for our students trying to use the crosswalk. Please enter the HMS parking lot to pick up your student after school.

SAFE SCHOOL REPORTING

Blue Valley Schools is committed to promoting and fostering a safe environment in and around all of our schools. Through the convergence of physical and intellectual security measures, we are continuously working to prevent, mitigate, respond to and recover from a wide range of emergencies. Please check out [available ways to report safety concerns](#).

STUDENT CODE OF CONDUCT

The Blue Valley Board of Education approved updates to Board Policy [3500](#) - Behavior and Discipline at the August 14, 2023 Board of Education meeting. As part of this approval, there is a [Student Code of Conduct](#) document. We ask all families and students within our school community to review the contents, policies and procedures within this [Student Code of Conduct](#).

Administrative actions taken as a result of a violation of the code of conduct are determined following proper investigation, review, and/or consideration of the age/grade of the student, context, and situation in which the behavior in question occurred. The scope of authority of the Blue Valley Student Code of Conduct applies at all times when students are on school buses or other vehicles used by the district to transport students, school district property, or engaged in official school activities. Additionally, **this code of conduct applies to any student whose conduct at any time or place has a direct and immediate effect causing substantial disruption impacting the order of school operations and/or the sense of student and staff safety that exists in the school or school-related environment.**

Students at HMS will be made aware of behavioral expectations and the Code of Conduct through grade level talks next week. Every student at HMS also has our handbook in the front of their student planner.

HMS PTO COMMUNICATIONS & VOLUNTEER COORDINATOR OPENING:

The HMS PTO is looking for a parent to take on the Communications & Volunteer Coordinator position for the 2024- 2025 school year. This is a very rewarding volunteer opportunity and you don't have to attend any PTO board meetings! The position involves managing the HMS PTO Sign Up Genius Account (creating and sending out sign ups), the HMS PTO Gmail account, HMS PTO Concession Stand volunteers, and the PTO information for the weekly T-Bird Times. If you are interested - please reach out to Katie Scheibel at katie_scheibel@hotmail.com.

This week students heard from Dr. Kelly Bisel, a Blue Valley North graduate, and current Psychiatrist at KU Med. She did a great job encouraging students to follow their passions and make sure they take courses during high school that they enjoy!
