## Food and Nutrition Meal Payments

Blue Valley's Food and Nutrition Services team has shared an important update regarding changes to meal payments.

Beginning May 1, ACH/e-check payments will no longer be accepted as our payment processing system offers limited support for this payment method. Any ACH or e-check recurring payments will be disabled after April 30.

Families still have multiple payment options:

- Cash or check— Your child can bring cash or a check to school. Please make checks payable to "BVFNS" and include your child's full name and student ID number on the memo line.
- Credit Card via LinqConnect — If you haven't already, visit <https://linqconnect.com/main> to set up an account and make payments via credit card. A \$3 transaction fee applies each time you use a credit card.

If you have questions, please contact [studentnutrition@bluevalleyk12.org](mailto:studentnutrition@bluevalleyk12.org).

## New School Year Medication Reminder

**From the Nurse's office**  
**Prescription and Over-the Counter Medication**

Dear Parent or Legal Guardian of HMS student,

If your student requires prescription medication at HMS, please remember, a physician's order for medication must be reviewed and updated at the beginning of each school year. Over-the-counter medications that are not available in the health room (i.e. eye drops, cough/decongestant, allergy medications), may be stored in the health room with parent/guardian's consent for such medication (forms available in the health room.)

Ensure the "Health" tab is completed during online registration to provide consent for the administration of over-the-counter medications available at school, including Advil/Tylenol, cough drops, and antacids.

**Prescription medication:**

1. Written authorization from a primary care provider or specialist (M.D., D.O., D.D.S., A.R.N.P. or P.A.) must accompany any prescription medication to be administered at school. A provider's authorization must be obtained for each school year.

The authorization form must be dated and include:

- a) Student name and birth date
- b) Medication
- c) Dosage
- d) Reason/indication for administration of medication
- e) Time(s) to be administered
- f) Duration of administration, i.e., entire year, 5 days, 1 month, etc.

2. **Prescription medication must be brought to school in its original container/package** dispensed by the pharmacist with the following information clearly stated on the label:

1. Name of student
2. Medication
3. Dosage
4. Time(s)/frequency of administered
5. Expiration date

**Emergency Action Plans signed by physician/guardian** for conditions such as life-threatening allergies/asthma must be included with the medication/prescription.

Consent to "Self-Administer" Prescription Medications must include **signature of physician and parent/guardian**. The physician's office may use their own form if details outlined above are included and must include a statement from physician stating, "Student has demonstrated knowledge of self-administration, and that school incurs no liability for any injury resulting from self-administration."

Students may not self-carry prescription or over the counter medication such as Advil/Tylenol without a written consent from a physician.

Consent for Administration/Self-Administration forms for students with prescribed medications can be downloaded and printed from the HMS website under "Nurse" link.

If your student is advancing into 7<sup>th</sup> grade, Tdap and MCV4 (meningitis) vaccines are required by the state of Kansas.

## Lost and Found

Our lost and found is over flowing. Please have your student stop and look at our lost and found table to claim their items.

## Construction Update

The new gym is coming along! There is a roof and they have poured cement floors. We can see many things happening as construction starts to look like a usable space more and more!

## Attendance/Tardies

**Students should be in the building by 7:45am, as classes start at 7:51am.**

If your student is running late, we will always work with you, you just need to communicate with us each day that they are late. As indicated in our handbook and website, **make sure to let us know that your student is arriving late before 8:10am or it will be unexcused/marked as an absence.**

Students are allowed three (3) tardies each quarter and on the fourth tardy, will receive a lunch detention. Teachers will use the same tardy policy for class periods two-nine. This is a BV district policy.

There are several ways to communicate with us to make it easy to report an absence or late arrival:

\*Call our office (913) 239-5200

\*Send an email to our office attendance account- [AttendanceHMS@bluevalleyk12.org](mailto:AttendanceHMS@bluevalleyk12.org)

\*Use the ParentVue app/website (click 'Report an Absence')

## Carline Reminders

Please remember to follow our carline rules at all times to ensure efficiency for all.

- Use the east entrance to the front circle. The west entrance is for buses only.
- Pull forward all the way before allowing your student to exit the car.
  - This is extremely important. Do not stop until you have pulled all the way up as far as you can in front of the school.
  - Please have your student exit the car quickly. One slow car can back up the entire carline.
- Pull to the left after your student exits your car. (this is extremely important to ensure traffic continues to flow)

## Proactive School Safety

### Proactive School Safety: How Blue Valley Addresses and Assesses Threats

At Blue Valley Schools, student safety is our top priority. Our approach to safety blends proactive prevention, fostering strong adult-student relationships and maintaining robust physical security measures. Central to our strategy is understanding and addressing potential threats.

#### What Constitutes a Threat?

A threat includes any expression of intent to harm, whether spoken or written. Identifying and responding to these expressions is crucial to the safety of our school community.

#### The Role of Threat Assessments

Blue Valley's comprehensive threat assessment process has two primary objectives:

- Preventing Violence: We work to intervene before potential threats escalate.
- Resolving Underlying Issues: By understanding the reasons behind a threat, we can resolve conflicts and provide necessary support.

#### Structured, Evidence-Based Approach

Blue Valley Schools follows the Comprehensive School Threat Assessment Guidelines (CSTAG), a nationally recognized, evidence-based program. This approach ensures that we not only prevent violence but also support individuals in need.

Since the fall of 2023, Blue Valley building leaders have been trained in and actively using this Threat Assessment approach. This consistent use of CSTAG has equipped leaders with a common vocabulary and protocol, enabling them to resolve situations more effectively when threats arise.

By staying committed to this structured and compassionate approach, Blue Valley Schools ensures that students and staff are supported, safe and able to focus on what truly matters—learning through extraordinary educational opportunities.

More information about Blue Valley's threat assessment process is available on the [district website](#).

If you haven't seen the powerful Netflix show *Adolescence*, our mental health team recommends it. To read more about the show and lessons for parents, this article is a great resource!

### Screenagers Blog | What Parents Can Learn from Netflix's *Adolescence* About Teens and Tech

Recently, the Netflix series *Adolescence* became one of the platform's most-watched limited series. It tells the fictional story of a 13-year-old boy whose descent into online misogyny and emotional isolation ends in tragedy. I've heard from many parents who watched it in one sitting - and others who said, "I can't bear to watch, but I want to understand what it's about."
