*INTO THE WOODS is a modern classic show featuring everyone's favorite storybook characters in a timeless, yet relevant, piece. The story follows a Baker and his wife, who wish to have a child; Cinderella, who wishes to attend the King's Festival; Little Red Riding Hood who just wants sweet; and Jack, who wishes his cow would give milk. When the Baker and his wife learn that they cannot have a child because of a Witch's curse, the two set off on a journey to break the curse. Everyone's wish is granted, but the consequences of their actions return to haunt them later with disastrous results. Great music mixed dark humor makes this Tony Award-winning show by Broadway greats Stephen Sondheim and James Lapine a must-see.*

## **Spring Parent/Teacher Conferences**

Save the Date for Spring Conferences on Wednesday, February 7 and Thursday, February 8. Look for the email with details on Monday!

## **Planning for Inclement Weather Days**

As the winter months continue, there is always the possibility of inclement weather. When extreme weather conditions exist, the district may cancel school or utilize a two-hour delayed start when temporary adverse weather conditions exist. When possible, inclement weather announcements will be made the day before so staff and families can plan. More information about inclement weather (including 2-hour delayed starts) can be found on the district [website](#).

## **Securely HOME - monitoring your students device**

Have you ever wondered how to monitor your child's usage on their Blue Valley device? We have parent tools that will allow you to receive notifications to ensure your child is using their device safely. School staff members monitor these devices during the school day and intervene, when necessary. However, parents can receive alerts if concerns arise when students use devices after school hours—including weekends and school breaks. Check out the [Securely Home Parent Portal](#) App here.

## **2nd Semester Course Fees**

The course fees for the second semester have been posted. Fees are assigned based on your student's enrollment, and not all courses will have associated fees. To check if your student is enrolled in a class with associated course fees, log in to [ParentVUE](#). If you have any questions regarding course fees, please contact our main office at 913-239-3700 and ask to speak to Ms. Chavez, our bookkeeper.

## **Attendance Notifications and Reporting**

Families can expect automated attendance messages by email, phone, and text if a child is absent and their absence has not already been reported by a parent/guardian. It is the responsibility of the parent/guardian to report an absence or reply to the automated email or phone message.

### ***What is the purpose of attendance notifications?***

We realize that students may occasionally need to miss school for planned absences, illnesses, and appointments. However, when a student does not arrive at school or unexpectedly misses a portion of the school day, we are concerned and want to make sure you are aware that your child is absent.

### ***How can I get push notifications?***

Families who would also like a push notification can download the ParentVUE app and manage their notifications. If a child has an unreported absence when a teacher submits attendance, then a push notification will immediately be sent to the parent/guardian's mobile device.

Interested in push notifications? Simply download the ParentVUE app ([iTunes app store](#) or [Google Play](#)), enable push notifications in device settings and select attendance notifications through in-app settings. Once the app is downloaded, [these instruction](#) will help you complete the set-up.

### ***How do I report an absence?***

When a student will be absent, parents should report their absence to the building by calling our phone line at 913-239-3701, or by emailing [attendancebv@bluevalleyk12.org](mailto:attendancebv@bluevalleyk12.org) in advance of the absence. Parents and Guardians may also enter full day absences into ParentVUE.

### ***How do I call my student out for an appointment?***

When students need to leave during the day for an appointment, contact with the attendance office **TWO HOURS prior to the absence** is requested. The office will then deliver a pass to the student. Any student leaving the building once the day has begun, must sign out in the attendance office and then sign in upon return. Students are able to then leave the building and drive themselves or meet their parent/guardian in the front circle. Parents do not need to come into the building to sign out students.

If a student becomes ill during the day - they must see the nurse. Mrs. Newton will assess the student and then issue a pass for them to go home after making communication with parents/guardians.

## Activities and Athletics Message

We are excited to have your families come to support our high school activities and athletics this school year. It is great to see the entire community at these events. It is imperative that our parent community partner with us as we work to encourage a positive atmosphere for our high school games or events.

- Sportsmanship/officials: We want to give our student athletes the opportunity to play as many games as possible and we need officials to make those games happen. With a local and national shortage of officials, we want to make sure officials continue to choose to work Blue Valley events. The number one way we can create a welcoming environment is for spectators, coaches and student athletes to be courteous and respect the official's decisions.
- Tailgating: Tailgating before games has become a tradition for many students and families. We love to see our community gathering together to enjoy food and tailgate games in our parking lots. As a reminder, alcohol and tobacco are not allowed on district property including parking lots. Outside food and drink is not permitted inside the gates except for unopened water bottles. Please visit the concession stands and support our school groups!

Thank you for your help in making our district events a great experience for all who attend. We hope to see your family cheering for our Blue Valley teams this school year.
