ALL SCHOOL NEWS

Summer Hours

BVW will be closed this summer as building improvement projects take place. Administrators and office staff will relocate to CAPS for our summer work. Beginning Tuesday, May 27th if you have reason to meet with our team, please note that we'll be located in the CAPS building. Phones will be forwarded, but there will be no staff in building at BVW throughout the summer.

Summer camps, gym access and strength and conditioning sessions will still take place at BVW, but will be limited to the Weight Room, new South Gym and the connecting hallway with restrooms. No other building access will be allowed.

End of Semester Information - Viewing Canvas Courses and Semester Grades

At the end of each semester, courses in Canvas will conclude and will no longer be visible on the Canvas app. However, a concluded course remains visible through the Canvas website by selecting ALL COURSES and then PAST ENROLLMENTS.

Grades will be viewable on ParentVue after 4 pm on Thursday, June 5

How do I view my child's report card?

- Log in on [ParentVue](#).
- Select the student's name
- In the left navigation bar, choose *Report Card*
 - Downloadable report cards will be available a few days after Thursday, June 5

Each new semester, classroom teachers will publish their next semester's Canvas course. As courses are published, students and families will again be able to see current courses on the Canvas app and Canvas website. For Canvas parent resources, visit www.bluevalleyk12.org/canvas.

Registration for the 2025-26 School Year

[High School Registration](#) for the 2025-26 school year is now open for current students. At this time, you can pay all required fees — except course fees, which will be assigned in September — as well as some optional fees. Registration is required annually and is the time to update your child's information (phone, email, emergency contacts, health information, etc).

Beginning in 2025-26, all 6th and 9th graders will be required to provide proof of residency (a current purchase contract, lease or utility bill, within the attendance area for your address) as part of the transition to a new level.

Completing registration confirms your child's attendance in August and helps the district appropriately staff classrooms. Thank you for providing this important information as part of the registration process. For more registration information, visit www.bluevalleyk12.org/registration.

Registration for 25-26 School Year

[High School Registration](#) for the 2025-26 school year is now open for current students. At this time, you can pay all required fees — except course fees, which will be assigned in September — as well as some optional fees. Registration is required annually and is the time to update your child's information (phone, email, emergency contacts, health information, etc).

This is a great time to double check your Senior's name in Parent/StudentVUE for accuracy! Check for correct name spelling and suffixes and confirm parent email addresses on file.

ATHLETICS NEWS

Physicals and Registration for the 2025-26 School Year

Typically, on May 1, we begin collecting physicals and required paperwork for the upcoming school year. However, the Blue Valley District is transitioning to a new system for managing this process, which will not be available until **June 1, 2025**.

- **High School Cheer and Dance Teams:** If you need a physical for summer participation, you may still upload your documents through the current system.

- **All Other Students:** Please wait until the new system is live on June 1 to submit your paperwork.

We will provide detailed instructions once the new system is ready. Please note: to be eligible for any KSHSAA activity during the 2025–26 school year, physicals must be dated **after May 1, 2025**.

Only the **official KSHSAA physical form** will be accepted. You can access the official **KSHSAA physical form for 2025–26** at [KSHSAA Physical Form \(PDF\)](#).

If you have any questions, please contact Kevin Simmerman at KLSimmerman@bluevalleyk12.org.
