Reporting Religious Absences

Did you know? Families can select “Religious Holiday” as an option for a child’s absence in ParentVue, when applicable. This notation could be helpful to our school staff so they can plan accordingly for your student’s absence.

Student Code of Conduct

As we begin the school year, we would like to remind you to review the updated Blue Valley Student Code of Conduct. It can be found on our www.bluevalleyk12.org under the “Student Quick Links” section at the bottom main home page. It can also be found on our school website home page.

Proactive School Safety: How Blue Valley Addresses and Assesses Threats

At Blue Valley Schools, student safety is our top priority. Our approach to safety blends proactive prevention, fostering strong adult-student relationships and maintaining robust physical security measures. Central to our strategy is understanding and addressing potential threats.

What Constitutes a Threat?

- A threat includes any expression of intent to harm, whether spoken or written. Identifying and responding to these expressions is crucial to the safety of our school community.

The Role of Threat Assessments

Blue Valley’s comprehensive threat assessment process has two primary objectives:

- Preventing Violence: We work to intervene before potential threats escalate.
- Resolving Underlying Issues: By understanding the reasons behind a threat, we can resolve conflicts and provide necessary support.

Structured, Evidence-Based Approach

Blue Valley Schools follows the Comprehensive School Threat Assessment Guidelines (CSTAG), a nationally recognized, evidence-based program. This approach ensures that we not only prevent violence but also support individuals in need.

Since the fall of 2023, Blue Valley building leaders have been trained in and actively using this Threat Assessment approach. This consistent use of CSTAG has equipped leaders with a common vocabulary and protocol, enabling them to resolve situations more effectively when threats arise. By staying committed to this structured and compassionate approach, Blue Valley Schools ensures that students and staff are supported, safe and able to focus on what truly matters—learning through extraordinary educational opportunities.

More information about Blue Valley’s threat assessment process is available on the [district website](#).

Team Smile - Free Dental Care Event

The flyer features a red background with white and green text. At the top left is the TeamSmile logo, and at the top right is the Arrowhead Stadium logo. The main text reads 'FREE DENTAL CARE' in large white letters, with 'Humana' in green below it. The flyer is divided into sections: 'ABOUT US' (describing TeamSmile's mission), 'PROGRAM INFO' (listing date, location, and time), 'DENTAL SERVICES' (listing exams, X-Rays, hygiene, fillings, and extractions), '100% FREE' (stating no insurance is required), 'ENTERTAINMENT' (listing music, face painting, and mascots), and 'CONTACT' (providing contact information for Bobby Casey).

ATHLETICSNEWS

Letter to Our Families

Blue Valley Families,

We are excited to have your families come to support our high school activities and athletics this school year. It is great to see the entire community at these events. It is imperative that our parent community partner with us as we work to encourage a positive atmosphere for our high school games or events.

- **Sportsmanship/officials:** We want to give our student athletes the opportunity to play as many games as possible and we need officials to make those games happen. With a local and national shortage of officials, we want to make sure officials continue to choose to work Blue Valley events. The number one way we can create a welcoming environment is for spectators, coaches and student athletes to be courteous and respect the official's decisions.
- **Tailgating:** Tailgating before games has become a tradition for many students and families. We love to see our community gathering together to enjoy food and tailgate games in our parking lots. As a reminder, alcohol and tobacco are not allowed on district property including parking lots. Outside food and drink is not permitted inside the gates except for unopened water bottles. Please visit the concession stands and support our school groups!

Thank you for your help in making our district events a great experience for all who attend. We hope to see your family cheering for our Blue Valley teams this school year.
